Discussion

Read Matthew chapter 24 and 25.

Versus 4 to 14

If this is an overview of the future from that point up to the end of time since we're over 2000 years further on can we or should we take note of all the warnings in these verses and where do we fit in as Christians today?

Versus 15 to 31

Is this a repeated overview with more detail added to what seems to be the dreadful fall of Jerusalem, then a hop skip and jump to the end of time and a hint as to how Christ will come?

Versus 32 to 35

What is the lesson here for us?

Versus 36 to 44

- Is verse 36 reassuring to you?
- Is the comparison of before the flood significant to you and why?
- What do you think it means to keep watch and be ready?

Versus 45 to 51

What's this all about? Is it about Christian conduct and attitudes?

I think chapter 25 tells us parables about God's people towards the end of time and how they acted just prior to his coming. Question: what do you make of it all?

I hope all these questions make sense and will provoke a good discussion.
